

## **REMARKS/ARGUMENTS**

### **Amendment to Specification**

The requested Amendment is made in response to the "Notice of Drawing Inconsistency With Specification" dated August 15, 2008. The Notice alleges that Figure 8A is not listed in the Brief Description of the Drawings in the Specification. This inconsistency is corrected by submitting herewith an amended paragraph [0029] that explicitly references Figure 8A in the Brief Description of the Drawings. Support for this amendment is found in Paragraph [0068], where Figure 8A is explicitly discussed.

No new information or material has been added to the application with this submission.

## **CONCLUSION**

In view of the foregoing, this case is considered to be in condition for issue and passage to issuance is respectfully requested. If any outstanding issues remain, the Office is invited to contact the undersigned by telephone.

This Amendment is being submitted concurrently with the payment of the Issue Fee. It is believed that no fee is due for the submission of this Amendment; however, the Issue Fee Payment in the amount of \$1,050 is being made through the EFS system of the United States Patent and Trademark Office website. If this amount is incorrect, however, or if there are any technical difficulties with the EFS filing process, please deduct or credit the appropriate fee for this submission and any extension of time required from Deposit Account No. 07-1969.

Respectfully submitted,
